## 2011 TRAINING SCHOOL

### TREDBED - UNIBODY - PROBLAST

Have the best trained operators in the industry by joining hundreds of others who have completed the Tread Annual Training School. Subject to your requirements, the course is either a one, two, or three day program with emphasis on function, hands-on operations, safety, daily maintenance, on-the-spot troubleshooting, simple repairs, and a session "Ask the Experts".

**WHERE: ROANOKE SHERATION HOTEL &  
CONFERENCE CENTER**

**TREDBED/UNIBODY TRAINING:**

**Monday, January 24<sup>th</sup> & Tuesday, January 25<sup>th</sup>**

**PROBLAST TRAINING:**

**Wednesday, January 26<sup>th</sup>**

New Offering & Space is Limited

Brochures with the class agenda, daily events, and registration form will be mailed out in late October. Don't miss this newly expanded school.
